

Dear Swimmers,

The pool will reopen Monday morning, June 8, at 6:00 a.m. The governor has issued a number of guidelines. The most important ones will appear in this email.

**PLEASE READ IMPORTANT INFORMATION BELOW.**

We are required to limit swimmers to one swimmer per lane.

To assure that when you arrive you will be able to swim, we have instituted a lane reservation system.

Here is how you reserve a lane and how it will work:

1. Call the club during business hours or reserve in person. You may begin calling for lane reservations this Sunday, June 7, when the club opens at 7 AM. You may NOT leave a voice mail requesting a lane reservation. You must reach a staff member to reserve a lane.
2. You can reserve a lane up to 7 days in advance. (Walk-ins will still be okay as long as there is a lane available.)
3. Each lane reservation will be for a ½ hour slot. You may reserve 2 time slots in a row.
4. You must cancel your lane at least 4 hours in advance if you are not going to use it. You will be charged a \$10 fee for each ½ hour reservation not canceled at least 4 hours in advance.
5. If on more than one occasion in one 7 day period you cancel less than 4 hours in advance, or no show, in addition to the \$10 charge, you will lose your right to reserve a lane.
6. Anyone found to be in violation of the one swimmer per lane policy will lose their right to reserve a lane. (Exception: members of the same household may share a lane.)

**Other important information:**

7. As of Monday you can use the showers. Please maintain social distancing in the bathrooms, locker rooms and throughout the club.
8. As of Monday you can use the spa pools. Only one person at a time may use a spa pool. (Members of the same household may share a spa pool.)
9. The beautifully redone saunas must remain closed for the time being.
10. Your dues for June will be pro rated as of the 8th.
11. Before your 1st visit back to the club please review the letter that was sent as an attachment to the newsletter last Saturday May 30th for other information.

12. The check-in and check-out system, and the one way foot traffic system, will be explained to you on your first visit back to the club.

13. After your pre-swim shower you will enter pool through the lobby so please bring flip flops or similar, and if you want, a cover-up.

14. Remember to bring your own towel. Club towels will not be available.

15. The water and ice machine will not be available. Bottled water will be available for a dollar a bottle in the cooler.

Welcome back!
